Career Idea | **Graphic Designer**

A graphic designer creates print items, social media pieces, presentations, and email graphics. They help a brand identify its look by adhering to brand colors and fonts. Graphic designers use Adobe InDesign, Photoshop, and Illustrator, among other programs.

CAREER QUESTIONS

Answer the questions below with your best thoughts.

Compare your answers to our experts' video answers.

Tell your parent to show you our Career Ideas videos on the company HUB.

1. How much training is required to be a graphic designer?

2. Who would you help and how would you make a difference?

3. Where would you work if you were a graphic designer?

4. Who would like/be good at this job?
