

Words of Kindness

AN ACTIVITY WITH FINANCE OF AMERICA CARES

Words can be so powerful! We invite you to share what you would say to comfort someone that was sad or worried, and we'll share your kind words with our Employee Assistance Fund grant recipients to help brighten their day.

1. Write down your kind words.
2. Ask an adult to take a photo of your message.
3. Ask an adult to scan the QR code & upload your photo before April 23.

Thank you for participating! All submissions are entered into a raffle for a chance to win a fun Cares prize.
